

**February 24, 2020**

The HBSF Board of Directors met on Saturday, February 8, 2020 and awarded 25 collegiate shotgun competitors grants totaling \$32,900.00. This is the 9<sup>th</sup> year we have been able to offer support to deserving collegiate athletes. Since HBSF was started, grant awards have now been provided to just over 200 recipients nationwide and we have awarded \$209,000.00 in total. This is made possible by support from people like you and we appreciate your ongoing involvement very much. We have also been privileged to receive support from great organizations like Lone Star Ag Credit and the Park Cities Quail Coalition.

In 2019 we hosted our Quail Hunt Fundraiser at Greystone Castle in Mingus, Texas. It was a great success and we will return there in 2020 on November 6-8, so mark your calendars!

**Collegiate shotgun competitors from the following schools received grants for 2020.**

Arizona State University, Arizona	Univ. of New Hampshire, New Hampshire
University of Florida, Florida	Connor State University, Oklahoma
Grand View University, Iowa	Mount Mary College, South Dakota
Lindenwood University, Missouri	Martin Methodist College, Tennessee
Drury University, Missouri	Shreiner University, Texas
Concordia University, Nebraska	University of Texas Austin, Texas
University of Nebraska, Nebraska	Texas A&M, Texas

The grant applicants were reviewed by our Advisory Committee as well as the Board of Directors. Several of the recipients have the potential to be national collegiate champions. Many of them just seek to become better competitors. We at HBSF are delighted to be able to assist these outstanding young athletes as they pursue their competitive goals.

As always, we would like to thank our partners, including Park Cities Quail Coalition and Greystone Castle, for their ongoing support.
